RE: CATANESE V ASTRUE 07 CIV 10290

ATTENTION: OMAR KHAN

Dear Judge Buchwald,

Per your Chambers' directions, I have discussed this matter with Mr. Gura, the Assistant US Attorney assigned, and we have agreed to the following briefing schedule in the above matter:

Plaintiff's Motion and Memo of Law due August 8, 2008

Defendant's Cross Motion and Memo due September 5, 2008

Plaintiff's Reply Memo (optional) due September 19, 2008

So ordered.

Please advise if there is any difficulty with this schedule. The relative delay in starting the process is due to counsel's existing schedules and obligations as well as the fact that the potential for a remand for further administrative action still exists. Therefore we would ask you to endorse this schedule as proposed.

Thank you for your interest in this matter.

Very truly yours,

Lewis B. Inslar
